Select Audio Creation Highlights

Hot club jazz and big band from turn of the century France, a party and karaoke contest on a passing ferryboat, original 16th century style dance music and songs, ambient winds from gentle breezes to frozen gales, inside the head of a madman (a view of life at one quarter speed), East Indian and Arabic influenced Shakespeare, the Berlin train station, living on an island, falling trees, singing ghosts, WPAQ - the voice of the Blue Ridge Mountains, Dracula!

“Ask for the moon, you’ll probably get it.”
